Dues Schedule

Your dues are figured on your base salary. Stipends and summer pay are not included. Dues are paid on a monthly basis. The rates are:

For first year of membership – 0.5% of base salary;

For the next years of membership, until faculty are tenured, librarians are on regular appointment, and academic professionals are post-probationary, 0.75% of base salary. Nontenure-track faculty remain at this level.

After faculty are tenured, librarians are on regular appointment, and academic professionals are post-probationary – 1.0% of current annual base salary.

Dues Cap: The amount of base salary on which dues are calculated is capped at the level of the average salary of a full professor at Temple, as reported every year in the AAUP publication *Academe*. In the March-April, 2010 issue of *Academe*, that figure was \$127,900.

Additional dues: In addition to above percentages, dues will include all constitutionally-mandated increases passed on to TAUP by parent unions (AFT-Pa, AFT, AFL-CIO).

For more information, go to www.taup.org, or contact the TAUP office by phone (215-763-2287 or 1-7641) or by email (taupaft@aol.com).
