Your Private Non-Temple Email Address

We're asking for your help. TAUP may sometimes prefer to use our private email address to communicate with members of TAUP and of the bargaining unit using their private non-temple email address, so that we may be in touch with you in complete confidence

To that end we are asking you to send us the email address that you use outside the Temple.edu system.

If you don't have a private non-Temple email address and would like to set one up (such as in gmail), you may call us at the TAUP office (215-204-7641 or 215-763-2287); we will be happy to help you. If you have any other questions, please don't hesitate to contact with us.

TAUP values the privacy of its direct communications to and from members of TAUP and the bargaining unit and we appreciate your help.

Thanks.
