Join Us for TAUP Action Event

Join us for our next informational picketing on Tuesday March 3 from 6 - 7 at the Philadelphia Art Museum outside the back entrance. The Temple Alumni Association is sponsoring a gala affair at the Museum that includes a "University Update" by President Hart. This is a good opportunity to get our message out directly to President Hart and to a group of influential alumni. Information on this event can be seen by clicking:

It is important that you come and lend your support. Please email jkorsh@gmail.com asap if you can drive and take others with you or if you need a ride. If you want to be a factor in negotiations - this is an easy way to do it!
