## TAUP Special Election Results

On September 26, the TAUP office sent you an email asking for nominations for candidates for a Special Election to run for an open seat on the TAUP Executive Committee. As of the deadline for nominations, two people came forward to stand for election for this position, one of whom voluntarily dropped out for personal reasons. This leaves one candidate for the open position.

Article I of the TAUP Bylaws prescribes the union's election procedures. Section 3 (Ballot and Voting), Paragraph (b) states:

*For Executive Committee members, if there are only as many nominees as there are open positions, ... the mail ballot procedure will be foregone and the nominees will be considered elected.*

Since the current election process meets the above conditions, there will be no balloting for this position.

Robert Pred., FSBM/STATISTICS, shall be considered elected to fill the open position on the TAUP Executive Committee for the term starting immediately and ending April 30, 2013.

Congratulations Rob!
